## BAB I PENDAHULUAN

1.1 Latar Belakang Masalah .................................................. 1
1.2 Perumusan Masalah ......................................................... 8
1.3 Ruang Lingkup Penelitian ................................................ 8
   1.3.1 Ruang Lingkup Subjek ................................................. 8
   1.3.2 Ruang Lingkup Objek ................................................. 8
   1.3.3 Ruang Lingkup Tempat ............................................... 9
   1.3.4 Ruang Lingkup Waktu ............................................... 9
   1.3.5 Ruang Lingkup Ilmu Penelitian ................................. 9
1.4 Tujuan Penelitian ....................................................... 9
1.5 Manfaat Penelitian .................................................... 9
   1.5.1 Bagi Penulis .......................................................... 9
   1.5.2 Bagi Perusahaan .................................................... 10
   1.5.3 Bagi Institusi ...................................................... 10
1.6 Sistematika Penulisan ................................................................. 10
1.6.1 Bab I Pendahuluan ............................................................... 10
1.6.2 Bab II Landasan Teori .......................................................... 10
1.6.3 Bab III Metode Penelitian ..................................................... 11
1.6.4 Bab IV Pembahasan .............................................................. 11
1.6.5 Bab V Simpulan dan Saran ................................................... 11

BAB II LANDASAN TEORI

2.1 Motivasi ................................................................................. 12
  2.1.1 Pengertian Motivasi ........................................................... 12
  2.1.2 Teori Motiasi Kerja ............................................................ 13
  2.1.3 Jenis Dan Unsur Motivasi Kerja ........................................... 14
  2.1.4 Indikator-Indikator Motivasi Kerja ....................................... 15
2.2 Beban Kerja ............................................................................ 16
  2.2.1 Pengerian Beban Kerja ....................................................... 16
  2.2.2 Faktor-Faktor Yang Mempengaruhi Beban Kerja ................. 17
  2.2.3 Dampak Beban Kerja ......................................................... 18
  2.2.4 Indikator-Indikator Beban Kerja .......................................... 19
2.3 Produktivitas Kerja ................................................................. 20
  2.3.1 Pengertian Produktivitas Kerja ............................................ 20
  2.3.2 Faktor-Faktor Yang Mempengaruhi Produktivitas Kerja ....... 21
  2.3.3 Manfaat Penilaian Produktivitas Kerja ................................. 22
  2.3.4 Indikator-Indikator Produktivitas Kerja ............................... 22
2.4 Penelitian Terdahulu ............................................................. 23
2.5 Kerangka Pemikiran .............................................................. 25
2.6 Perumusan Hipotesis .............................................................. 26
  2.6.1 Pengaruh Motiasi (X1) Terhadap Produktivitas (Y) ............... 26
  2.6.2 Pengaruh Beban Kerja (X2) Terhadap Produktivitas (Y) ....... 27
  2.6.3 Pengaruh Motiasi (X1) Dan Beban Kerja (X2) Terhadap Produktivitas (Y) ................................................................. 27
2.7 Kerangka Teori ................................................................. 28
BAB III METODE PENELITIAN

3.1 Jenis Penelitian .......................................................... 29
3.2 Sumber Data .............................................................. 29
3.3 Metode Pengumpulan Data ........................................... 29
3.4 Populasi dan Sampel .................................................... 30
   3.4.1 Populasi .............................................................. 30
   3.4.2 Sampel ............................................................... 30
3.5 Variabel Penelitian ....................................................... 30
3.6 Definisi Operasional variabel ......................................... 31
3.7 Uji Persyaratan Instrumen ............................................. 32
   3.7.1 Uji validitas .......................................................... 32
   3.7.2 Uji Reliabilitas ...................................................... 33
3.8 Uji Persyaratan Analisis Data ........................................ 33
   3.8.1 Uji Linieritas ........................................................ 33
   3.8.2 Uji Multikolinieritas .............................................. 34
3.9 Metode Analisis Data ................................................... 35
   3.9.1 Uji Regresi Linear Berganda ................................... 35
3.10 Pengujiian Hipotesis ................................................... 35
   3.10.1 Uji t ................................................................. 35
   3.10.2 Uji F ................................................................. 36

BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Deskripsi data ............................................................ 38
   4.1.1 Deskripsi Karakteristik Responden ......................... 38
   4.1.2 Deskripsi Variabel Penelitian ................................. 39
4.2 Hasil Uji Persyaratan Instrumen ................................... 44
   4.2.1 Hasil Uji Validitas ................................................ 44
   4.2.2 Hasil Uji Reliabilitas ............................................. 46
4.3 Hasil Uji Persyaratan Analisis Data ............................... 46
   4.3.1 Hasil Uji Linieritas ............................................... 46
   4.3.2 Hasil Uji Multikolinieritas ..................................... 47
4.4 Hasil Pengujiian Analisi Regresi Linear Berganda .......... 48
4.5 Hasil Penguian Hipotesis ................................................................. 49
  4.5.1 Hasil Uji t................................................................. 49
  4.5.2 Hasil Uji F................................................................. 50
4.6 Pembahasan..................................................................................... 51

BAB V SIMPULAN DAN SARAN
5.1 Simpulan ..................................................................................... 54
5.2 Saran ......................................................................................... 54
