BAB I  PENDAHULUAN
1.1 Latar Belakang Masalah .................................................................................. 1
1.2 Perumusan Masalah ......................................................................................... 4
1.3 Tujuan Penelitian .............................................................................................. 4
1.4 Manfaat Penelitian ........................................................................................... 5
1.5 Ruang Lingkup Penelitian ................................................................................ 5
1.6 Sistematika Penulisan ....................................................................................... 5

BAB II LANDASAN TEORI
2.1 Market Share ..................................................................................................... 7
2.1.1 Market Share Perbankan Syariah ............................................................... 8
2.2 Bank Syariah ...................................................................................................... 8
2.2.1 Tujuan Bank Syariah ................................................................................... 9
2.2.2 Perbedaan Bank Syariah Dan Bank Konvensional ....................................... 10
2.3 Kinerja Keuangan Bank Syariah ....................................................................... 11
2.4 Equivalent Rate ............................................................................................... 13
2.5 Kerangka Pemikiran ....................................................................................... 14
2.6 Penelitian Terdahulu ....................................................................................... 15
2.7 Hipotesis .......................................................................................................... 18

BAB III METODE PENELITIAN
3.1 Jenis Penelitian ............................................................................................... 19
3.2 Sumber Data ..................................................................................................... 19
3.3 Metode Pengumpulan Data ............................................................................. 19
3.3.1 Penelitian Lapangan .................................................................................. 19
3.3.2 Penelitian Pustaka .................................................................................... 20
3.4 Populasi dan Sampel ...................................................................................... 20
3.4.1 Populasi ..................................................................................................... 20
3.4.2 Sampel ....................................................................................................... 20
BAB IV HASIL PENELITIAN DAN PEMBAHASAN

4.1 Deskripsi data ............................................................................................................. 32
   4.1.1 Deskripsi Objek Penelitian .............................................................................. 32
   4.1.2 Deskripsi Variabel Penelitian ......................................................................... 50
4.2 Analisis Deskriptif ....................................................................................................... 52
4.3 Uji Asumsi Klasik ....................................................................................................... 57
   4.3.1 Uji Normalitas ................................................................................................... 57
   4.3.2 Uji Autokorelasi .............................................................................................. 58
   4.3.3 Uji Multikolinieritas ....................................................................................... 59
   4.3.4 Uji Heteroskedastisitas .................................................................................. 61
4.4 Uji Regresi Linier Berganda ....................................................................................... 62
4.5 Pengujian Hipotesis .................................................................................................... 64
   4.5.1 Koefisien Determinasi (R Squared) ................................................................. 65
   4.5.2 Uji t test ............................................................................................................ 66
4.6 Pembahasan .................................................................................................................. 68
   4.6.1 Pengaruh CAR Terhadap Market Share Bank Syariah di Indonesia .............. 69
   4.6.2 Pengaruh ROA Terhadap Market Share Bank Syariah di
4.6.3 Pengaruh NPF Terhadap Market Share Bank Syariah di Indonesia

4.6.4 Pengaruh FDR Terhadap Market Share Bank Syariah di Indonesia

4.6.5 Pengaruh Equivalen Rate Terhadap Market Share Bank Syariah di Indonesia

BAB V SIMPULAN DAN SARAN

5.1 Kesimpulan

5.2 Saran
