The purpose of this study was to find the effect of organizational culture, internal control systems, Organizational Commitment, and Financial Management of Good Government Governance (A Study on OPD (Indonesian: *Organisasi Perangkat Daerah*) in Bandar Lampung City). This study used primary data collected through the distribution of questionnaire to the respondents. The sample in this study was 90 respondents determined by using the purposive sampling technique. The data analysis method used the multiple linear regression. The result of this study found that the Internal Control System and Organizational Commitment affected Good Government Governance. Meanwhile, Culture Organization and Financial Management did not affect Good Government Governance.

Keywords : Organizational Culture, Internal Control System, Commitment Organization, Financial Management, Good Government Governance
