

## ACKNOWLEDGEMENT

With gratitude for all the favors and gifts that God Almighty has given, I present this thesis to my beloved family, Mr. Sukatno, Mother Ratih Ningsih, my brother Ivan Rama Vili, and my beloved for moral and material support, outpouring of love and affection, the motivation, the enthusiasm, the sincere and unceasing prayers they gave me to complete this skripsi.

To Mr. Sukatno and Mrs. Ratih Ningsih who have been great and fought for us your children up to this point. Thank you for fighting so hard for me and my sisters, the best role model for me. Men who are independent, strong, tough, great, namely Mr. and Mrs. Your prayers for me never cease, your love and affection that is always given to your two children. No words other than gratitude for Mr. my mother, I hope the father's mother always healthy until I can return a struggle and make you happy in the next life. There is no good intention that is not realized with an effort or hard work, my prayers for you may be healthy and happy always. I have completed my homework in college, a little form of my struggle for you and tried to give the best for me to offer for you.
